LOGISTICS & CONSULTING

Bright solutions. Seamless Flow.

ABOUT US.

Brightflow delivers smart, reliable marine and general freight forwarding solutions globally, even to the most challenging destinations.

Our mission is to provide tailored worldwide logistics and consulting solutions that ensure efficient, cost-effective cargo movement and deliver a high level of service as well as lasting value for our clients.

Created by experienced professionals in the field, to combine personal service with speed, reliability, consulting expertise, flexibility and innovation.

Two horizontal gold bars are located at the bottom of the page. The first bar is on the left, starting from the left edge and extending about one-fifth of the way across the page. The second bar is on the right, starting about three-quarters of the way across the page and extending to the right edge.

OUR VALUES.

Reliability

Innovation

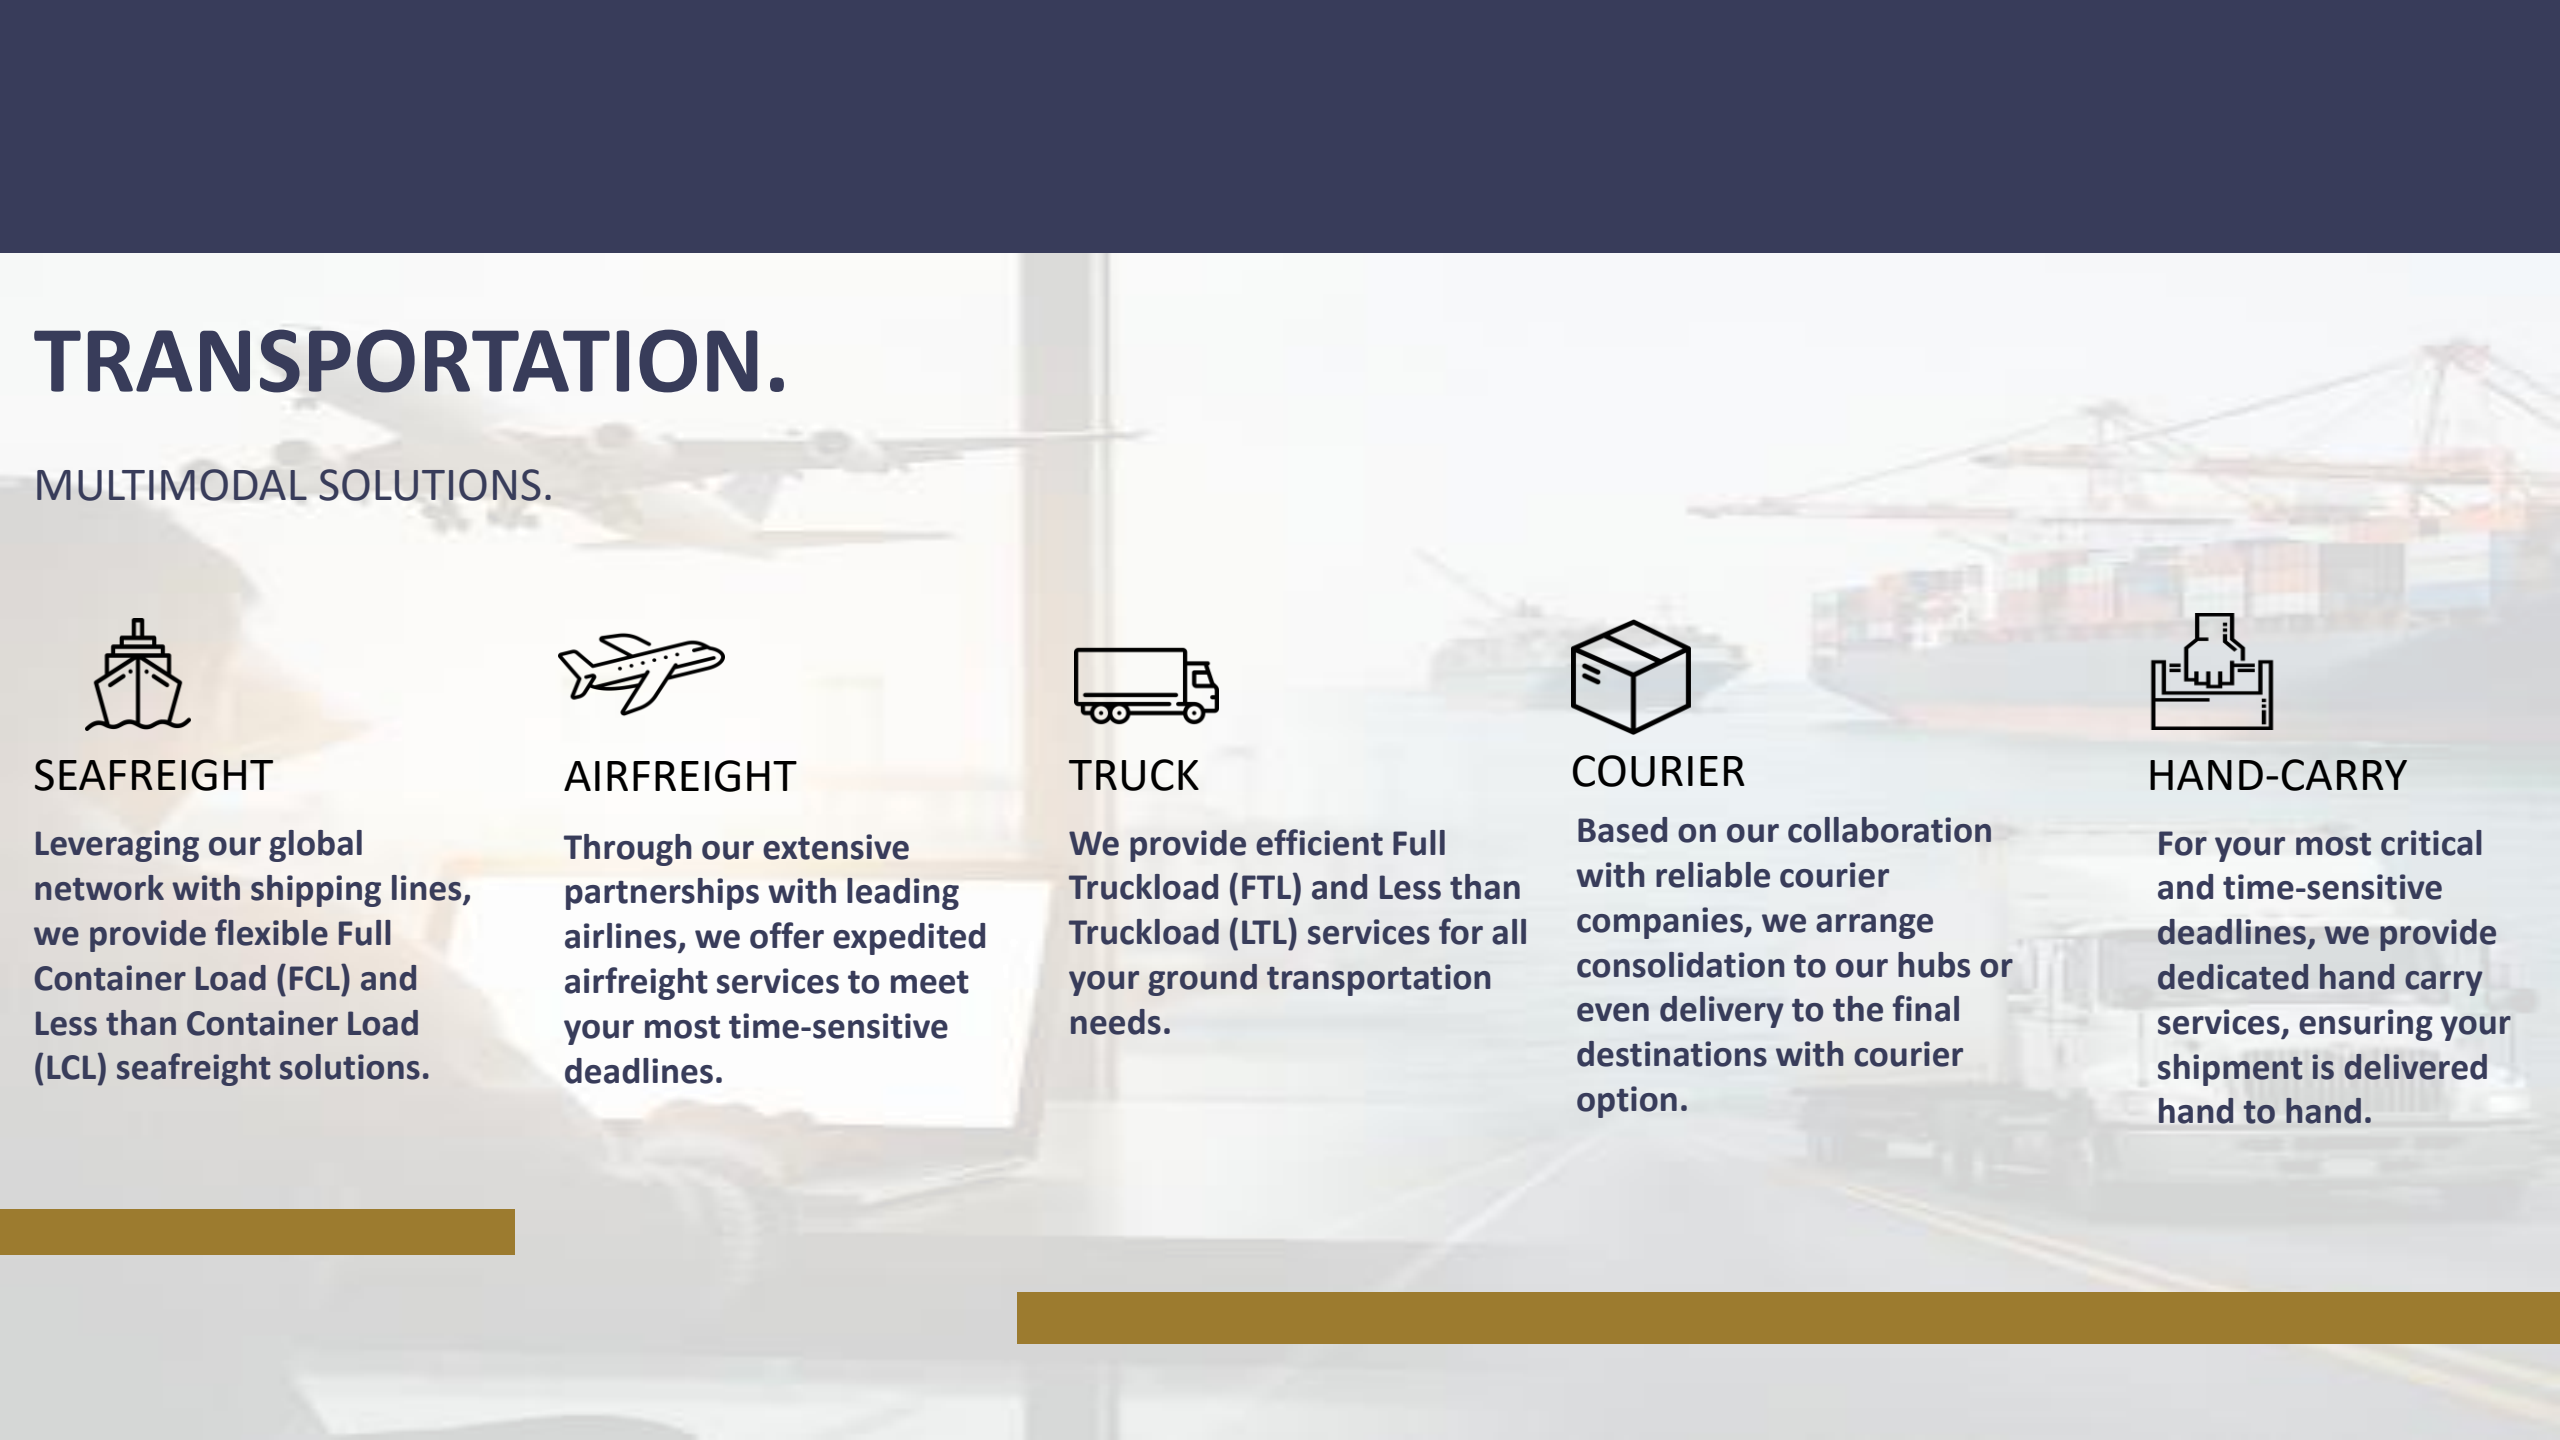

Service Excellence

Integrity

OUR SERVICES.

TRANSPORTATION.

MULTIMODAL SOLUTIONS.

SEAFREIGHT

Leveraging our global network with shipping lines, we provide flexible Full Container Load (FCL) and Less than Container Load (LCL) seafreight solutions.

AIRFREIGHT

Through our extensive partnerships with leading airlines, we offer expedited airfreight services to meet your most time-sensitive deadlines.

TRUCK

We provide efficient Full Truckload (FTL) and Less than Truckload (LTL) services for all your ground transportation needs.

COURIER

Based on our collaboration with reliable courier companies, we arrange consolidation to our hubs or even delivery to the final destinations with courier option.

HAND-CARRY

For your most critical and time-sensitive deadlines, we provide dedicated hand carry services, ensuring your shipment is delivered hand to hand.

WAREHOUSING. DIGITAL INVENTORY MANAGEMENT.

We provide storage in bonded and strategically positioned warehouses near major ports and airports, giving our clients a strong competitive advantage in speed and accessibility

- 
- Brighthub provides
- Real time shipment tracking
 - Centralized document management
 - Analytics & insights
 - End to end order visibility

CONSULTANCY.

We provide hands-on 24/7 support and advisory services to overcome challenges , meet critical deadlines, optimize logistics strategies, and reduce costs.

We also act as your internal consultant, assisting with the establishment, training, and digitization of your in-house logistics department.

CUSTOMS & COMPLIANCE.

We offer comprehensive support for all customs and compliance procedures worldwide. Our services ensure seamless handling of all documentation and regulations, minimizing delays and reducing risk for your shipments.

VALUE ADDED SERVICE

We provide cargo insurance to protect your shipment from any damage or delay and also provide key performance indicators (KPIs) customized to your needs.
